Koda, Kenai and all their friends from Brother Bear, *have trekked all the way from the Northern Territory to* Disney's California Adventure™ park *to bring you...*

The Magic of Brother Bear

A celebration of the folklore and characters from *Brother Bear* opened at *Disney's California Adventure™ park* November 1. Kids of all ages will enjoy this heartfelt, humorous tale of brotherhood told by the old Wood Carver. In addition to growling, roaring and learning how to be a bear, you'll get to meet your favorite characters from *Brother Bear*, Koda and Kenai. And don't forget the crazy, comical moose pair Rutt and Tuke, who magically come alive in totems that flank the stage.

In addition to the new show, a mystical surprise awaits you inside Kenai's Spirit Cave. When you place your hand on the bear paw print, a glowing image of a forest animal will appear to tell you your animal totem.

It's a bear-el of fun! To book your *Disneyland® Resort* vacation, call (714) 520-5050. For *Disneyland® Resort* information, call (714) 781-4565 or visit www.disneyland.com

characters without arms and legs, how they created a believable underwater experience, and struggled to build a world as vast as the ocean itself in *Making Nemo: A Special Documentary*.

In The Art of Nemo, listen in as Pixar artists guide you through a collection of the stunning pre-production artwork that inspired the film's final computer-generated imagery.

Wish you had a fish tank like the dentist? Well stop wishing! Turn your TV into an aquarium populated by Gill, Bloat, Peach, Nemo and the rest of the Tank Gang with the Virtual Aquariums. On Disc Two, you'll find the full-frame presentation specifically reframed by the filmmakers themselves, a Fisharades game hosted by Crush, a Learning Fun Encyclopedia, *Exploring the Reef with Jean-Michel Cousteau*, tour of Pixar Animation Studios, the Pixar short film *Knick Knack*, and more!
